

Health Walk Groups In Worcestershire

Health Walks are free, easy and accessible and local. They are between 30-90 minutes long, you can walk at your own pace and you do not need any specialised equipment. Health Walk groups are friendly and welcome all ages and abilities. No need to book just turn up 10-15 minutes before the walk is due to start. For further information about health walks visit the walking for health website www.walkingforhealth.org.uk or contact
